**OR Farmworkers
need our support**

[This message is modified from the original Interfaith Movement for Immigrant Justice email message](#)

We want to share some needed good news with you. Farmworker Overtime (HB 4002) passed out of the joint committee on farmworker overtime last night and is scheduled for the third reading in the house on Monday! **Read more here.**

Transforming Justice (SB 1510) and Universal Legal Representation (SB 1543) also **passed** out of the full ways and means committee this week. SB 1543 is scheduled for a third reading on Monday and we expect SB 1510 to be scheduled soon.

Six years ago, Oregon Sanctuary Promise seemed like a far out of reach dream but today we see the Oregon Department of Justice has a site to **report federal immigration requests**. Our collective sacred action helps shape the world and in these difficult times let's not lose sight of the possibilities that lay beyond the struggle when we organize with fierce love.

You can still show support for the people that these bills will impact by taking these strategic actions:

Call your legislators!

- **Find your legislator**
- You can use and edit **this script**

If you have 30 minutes... Print and mail a postcard before March 3rd:

- Print this **IMIrJ #ORLEG2022 postcard** to help you encourage your senator to support all of these important bills.

If you have more than a couple of hours and a couple of friends willing to join in some fun...

- Do all of the things above + print lots of extra **[IMIrJ #ORLEG2022postcards](#)**
- Get some pens, hand sanitizer, masks, and your postcards.
- Invite members of your faith community and/or friends to come to write a message of solidarity with Farmworkers, Immigrants, and Communities of Color across Oregon.
- **[Mail it to your legislator](#) before March 3rd.**
