"Support bills in keeping with UU principles"

Your Action of the Week: "Support bills in keeping with UU principles"

With the Oregon legislature due to adjourn on June 30 (WOW, we are more than half way through the session!), people wonder if their favorite bill has passed in one or the other chamber, or died completely?

The legislature does not have a single list of bills. But [Rep. Alissa Keny-Guyer](#), a SE Portland Representative who shares many of the same values that Unitarian Universalist do, has provided a list of those bills she supports with their current status. She has been kind enough to supply links to each of the bills.

Note that the yellow highlighted bills are those which OR UU Voices supports. This list is by subject, in this order: Fair Elections/Governance; Housing; Human Services; Health Access; Health: Behavioral Health/Mental Health; Health: Pharmaceuticals; Early childhood Education; Economic Fairness; Environment; Immigrant/refugees; Public Safety/Gun Safety; Revenue & Taxes; Transportation; Specific Women's Issues; Animals
