Support getting
Big money Out of
Oregon politics

“Yes for Fair & Honest Elections” has launched the campaign to enact Ballot Measure 107 on the Nov 2020 Oregon ballot. BM107 is the legislative referral to amend the OR constitution to allow:

- * Limits on campaign contributions
- * Disclosure of political contributions and spending
- * Disclose who has paid for political ads

Passage of BM107 will resolve constitutional ambiguity. It will ensure that we can limit big money in our political campaigns and require disclosure of who is paying for campaign advertisements – so that everyone is able to have an equal say in the election process.

OR UU Voices for Justice has endorsed BM107 and pledged to work for its passage.
