Our Children Our Future

Youth have stepped forward in record numbers with amazing influence this year. What can UUs learn from these “in the news” social justice campaigns? With synergy, we can each take action, multiplying impact and influence!

Panelists will represent:

- Climate Change – Our Children's Trust (Environmental Justice)
- Immigration (Economic Inequality, Human Rights)
- Gun Safety/School Safety – March for our Lives

We will learn from each other during afternoon breakout sessions.

Please register in advance at www.uuvoicesoregon.org with PayPal or your credit card before September 3 (or mail a check).

- \$30 adults, \$20 teens. Scholarships available on request.
- Lunch selection is included in your registration.
- Homestays are available with \$— donation to UU Congregation at Willamette Falls.
- On-street parking is plentiful. Limited mobility registrants will find parking behind the building. Please do not park in the large community center lot.

Please bring a carpool from your Unitarian Universalist community as well as other friends, including youth and young adults.

Don't forget to complete the Registration so we know how many lunches to provide.
